

CALL FOR INTEREST

JAPAN MISSION

20th - 24th, JUNE, 2022

TOKYO

Within the framework of the European project PIMAP+, we propose you a Business Mission to Japan.

In partnership with the France-Japan Chamber of Commerce and Industry, we offer you a 4-day program composed with various activities to discover the Japanese market.

Manufacturing World Japan

One day at the
International
Exhibition
"Manufacturing
World Japan"

VISITS

Visits of
companies,
laboratories and/or
business parks

NETWORKING

Exchange sessions
between members of
the delegation and
European companies
established in Japan,
pitching, cocktail, etc.

TRAINING SESSION

"Business culture"
training session
